Ellis Johnson

We dedicate the 1969 NOVA to four courageous individuals:

To Ellis Johnson for the courage to follow his convictions.

To Dean Keniston and Phillip Jones for the courage to overcome physical adversity.

To Kaye Hall for the courage to work to achieve a goal.

Kaye Hall

When seventeen year old Kaye Hall left Tacoma in early September, much of Tacoma did not realize that soon she would be the fastest woman backstroker in the world, holder of two Gold medals and one Bronze. Nevertheless, all of Wilson took an enthusiastic interest in Kaye's progress. Many students signed the good luck card and bought the tootsie pops which helped to send Kaye's coach, Mr. Hannula, to Mexico. Mr. Hannula is credited with showing Kaye a newspaper article in which Elaine Tanner, backstroke swimmer from Canada, stated that she would have no competition in Kaye's event. Kaye kept this article with her; she feels it had a great deal to do with her winning.

The Olympics came to an end and Kaye returned home. At the airport, Kaye was met by three busloads of students, complete with confetti, signs, and noise. Jon Hurst, "Banner" editor, was on hand to join in the press conference.

Kaye was then transported by McChord Air Force Base helicopter to Cheney Field where dignitaries waited to bestow honors on her in front of radio announcers, television cameras, and cheering fans. The Wilson band played enthusiastically when the sheriff's helicopter with NOVA photographer Dean Keniston descended, and again when escort helicopter 303 landed. Helicopter 301 really had the world's champion, and the ceremony finally got under way. Kaye received a plaque and a lifetime pass to school events from the school board, the key to the city from the mayor, and roses from the Swim Club and Student Council. Kaye also was named Grand Marshal for the Daffodil Parade, and Mr. Hannula was recognized and shared some of his newly learned Spanish with the audience.

The parade and banquet honoring Kaye was held on November 11. Wilson's Cadymettes and band participated and many turned out in spite of the rain. Later in the year, Kaye was named "Sportsman of the Year" by the "Seattle Post Intelligencer" and was also placed in the Tacoma Hall of Fame.

Donna

Well, we survived through three years of High Scool together. For awhile I didn't think we would make it. Remember all the trouble we had! Oh well it's all most (over) over now and we probably won't be seeing much of each other.

It was sure fun on our senior skip day. I wonder if the plane was really following us? Wow! Too bad he didn't land that stupid thing so we could get a good look at him. It was probably Mr. Standring!!

I wish you all the best for a happy future and I'll see ya around.

Love Always,
Sandy

RAM POWER!

In front of nearly 11,000 spectators, a powerful Wilson football team defeated both Mt. Tahoma and Stadium at Lincoln Bowl on September 13. Wilson slid past Mt. Tahoma 7-6 after training 6-0 early in the game. Led by halfback Tony Apostle, fullback Dick Messersmith ran 78 yards to score the winning touchdown. Apostle then scored the extra point, giving Wilson a place in the next game.

In the championship game, Apostle took a swing pass from Mike Lobberegt for 56 yards and galloped to the Tiger five yard line. Four plays later, Messersmith went in for the touchdown, giving the Rams a 6-0 win over Stadium and the coveted Grid trophy.

To finish the season, the Wilson Rams battled the Stadium Tigers on Thanksgiving day, scoring two touchdowns in the first half. They went on to defeat the Tigers 12-6. Wilson's first touchdown was a 26-yard pass from Lobberegt to Rorem. In the second quarter Mark Turnbull recovered a Stadium fumble at their 45 and eight plays later Rorem scored his second touchdown, ramming 18 yards around left end on a double reverse. The Tigers were unable to penetrate the strong Wilson defense and in the first half failed to get a first down, but in the third period Stadium launched a 66 yard drive to score their only touchdown. Wilson's Turkey Day victory proved the Rams' dominance in this year's city football race.

HOOP CHAMPIONS!

Underdog Wilson defeated the defending champions from Lincoln in the title game of the Hoop-Go-Round by a score of 44-35. To earn the berth in the final game, the Rams outscored the Bellarmine Lions 29-21 with a fast and well-balanced attack. This game was highlighted by the Ram's scoring 14 points to the Lion's one in the first four minutes of the second quarter. Ram scoring was evenly divided by the starting five.

In the championship contest, Lincoln jumped to an early 12-8 advantage, but Wilson soon rallied ahead to lead at the quarter break 22-19. The Abes came alive again in the second period and took the lead twice. The Ram's final drive resulted in their nine point winning margin. Center Rick Donavan scored 19 points and forward Jeff Christian converted for 13 and the pair also pulled down many key rebounds. Guards Don Lillegard and Jim Adams also made important baskets. Ken Nelson, who did an excellent job on defense, held the Abe's all-state forward Dean Ecklund to just two points. At the conclusion of the game, the crowd of Ram fans jammed onto the floor loudly expressing their approval of the outcome of the game.

RAM SWIM POWER!

The Wilson Ram swim team, with dedication, ability, and practice swam their way through a tough schedule of meets to build their record to a 128 winning skein. For the tenth consecutive year the Rams captured both the District Meet and the State Meet.

Highlights of the season included the breaking of the State 400 freestyle record by Dan Hannula, and of the 400 freestyle record first by Dennis Larsen, and then by Dan Hannula. The State 400 freestyle relay record was also broken by two Wilson relay teams.

Expert coaching by Mr. Hannula again brought the Rams to the end of a triumphant season.

But it is perhaps the end of the beginning."

Winston Churchill

...therefore progress

Donna,

suffered through
Civics together and
neither of us would
have made it without
each other. Probably. I've
kinda known you for about
5 years, but this is the first year

Donna,
Ok seems so sad to be saying Xmas for the last time, but yet its good to be graduating, finally. Wasn't it fun writing those notes in the math class and waiting for those answers. But you are so smart and I am so dumb in here. We never did work out our code for the test, oh well its too late now. Have lots of fun this summer and next year and best of luck always.

Donna, (the rat)
